EDUCATION

B.S. in Computer Science, Howard University

Expected May 2029

GPA: 3.8 | Dean's List, Fall 2025 | Coursework: Data Structures, Computer Systems, Computer Networks, Intro to Security, Databases

EXPERIENCE

Founder, OZK Clothing Brand

Mar 2026 - Present

- Developed the Shopify storefront frontend using agentic engineering, orchestrating multiple AI agents to implement the customer-facing shopping experience.
- Negotiated manufacturing terms, managed production, and shaped designs for target customers.
- Grew Instagram to ~700 followers and 20,000+ impressions, generated 30,000+ TikTok views and 100+ preorder sign-ups, and managed social content and Meta ads.

Co-Founder & CEO, Console Elite Server

Sep 2020 - Feb 2025

- Built a private Fortnite scrim server for elite pros; a public paid-membership division generated \$250K+ across 150,000+ orders in four years, with ~50 staff fulfilling ~1,000 weekly orders.
- Scaled to 15,000 members; ran tournaments for up to 1,000 players and 500+ live viewers, securing \$10K+ in HyperX and Razer sponsorships. Acquired by Vital Scrims in 2025.
- Built open-source Python/Node.js automation for fulfillment, payroll, and revenue reporting as monthly revenue grew from ~\$8K to \$15K in six months. Engineered a Discord-to-Telegram bridge handling ~18K tickets in six months and anti-bot systems raising legitimate claim rates ~40%.

Community Manager, Flu Esports

Nov 2021 - Feb 2022

- Developed check-in systems by adapting and fine-tuning open-source bots to detect no-shows and improve player scheduling, raising show rates from ~85% to ~97%.
- Built a Fortnite recruitment pipeline connecting competitive players with team signings and mentorship; players achieved multiple top-10 event finishes and won over \$5K in prizes.
- Ran four monthly tournaments with ~500 players; broadcasts drew ~200 live viewers per event.

LEADERSHIP & ACTIVITIES

External Chair (E-Board), Howard University African Students Association

Aug 2026 - Present

- Own ASA's external partnerships inbox end-to-end - triage ~20+ inbound collab, sponsorship, speaker, and event asks into board-ready briefs for Admin yes/no; route finance, events, and health requests to the right chairs.
- Lead inter-org collaboration and event planning with Howard and DMV partners (incl. UGSA, HUSA/student government lanes, SIAM, Morgan State ASO, Collegiate 100, INROADS, and cultural/festival partners); keep a live prioritized tracker of open deals and next steps.
- Coordinate external event logistics and the Campus Life/Engage approval path with faculty advisors so partnered programming stays submission-ready; support Cramton production-call scheduling for Mister & Miss Afrique.

Youth Group Director, VBS, Christ Chapel MD

June 2026

- Directed a week-long VBS program for ~20 youth ages 12-14, overseeing daily activities.
- Mentored youth through Bible lessons, group discussions, games, and arts and crafts.
- Filmed VBS activities and contributed extensively to video production documenting the program.

Junior Resident Assistant, Howard University Residence Life

Nov 2025 - May 2026

- Supported 30+ residents as the first point of contact for daily residential needs.
- Held 6 weekly desk/office hours; managed check-in and visitation policy rounds.
- Planned and ran two residential events with senior RAs and the Office of Residence Life, drawing ~20 attendees each, approximately two-thirds of the floor.

Member: National Society of Black Engineers (NSBE), Howard University Chapter.

SKILLS

Languages: Python, JavaScript (Node.js), Java

Infrastructure: Linux VPS administration (Ubuntu), Docker, Git, GitHub Actions, MongoDB

Automation/AI: AI-assisted development workflows, process automation, multi-agent orchestration
